Download We are big fans of Affinity Designer, a subscription-based, Mac alternative to Adobe Illustrator that launched last year. But getting your head around new software can sometimes seem daunting. Thus, its creators, Serif, have released a digital magazine to act as a soft introduction to the app and what it can do. Created in iBooks format, the first issue of Affinity Review includes an update on the latest Affinity developmentsan interview with Jonathan Ball of pokedstudioa meet and greet with the head of the Affinity Dev teama vector drawing tutorial from bubblefriendsa feature to focus on Tool Pen's Affinity Designerdetails exclusive free-vector brush set designed by Paulo LimonelliC. We strongly recommend this great read for anyone who uses, or is considering using, Affinity Designer. (And we're not just saying that because they write good things about Creative Bloq in the magazine...) What do you think of Affinity Designer? Let us know in the comments! Like this? Read this!
