If you have an existing portal account, if you have an activation key but haven't created your account Click here to enter the activation key and click Send. Enter your username and password and click Create an account. We encourage you to choose a unique username and password that you will only use to access Campus. Passwords should include letters and/or numbers and be at least 8 characters in length. Follow the instructions on this page to go to the login page and log in. Please note: the error message that says indicates that the activation key entered is incorrect. Please try entering the activation key again. An error message that says: The activation key you entered is already being used to create a Campus Portal account, meaning that you've already successfully created an account. If you don't know your username and password, please send an email campus@clarke.k12.ga.us. To subscribe to the portal account Click here to subscribe to the account. Enter your student's Social Security number and date of birth and click Send to get a GUID. NOTE: This number is your activation key. Click on the link to the activation key manually. On the next screen, click on the new user. Enter or insert the activation key into the appropriate box and click Send. Follow the instructions for creating USERNAME and PASSWORD for your Campus Parent account. We encourage you to choose a unique USERNAME and PASSWORD that you will only use to access Campus. Passwords must be at least 8 characters in length and can include letters and numbers. If you can't log in using USERNAME and PASSWORD that you have chosen, please send an email campus@clarke.k12.ga. Click Help if you need help getting a username or password. Download the Campus App? Our district ID is YPRLKJ. To see more ads, please click down the character. To get the activation key click below: Change! It is never too late to apply for food to determine if your child (ren) is entitled to reduced or even free school meals. If you have already applied for this year but have had changes in the family, you can apply for a new one. Did you know that applications are only valid during the school year that you submitted them? They expire at the end of the school year, so if you haven't completed one this year, or need to fill out a new app - please click on this link: complete_my_meal_applicationParents/Guardians, stay informed of the Barrow County school system and information you need to know during school closures, or at any time. Visit us on to find out What you might need to know but were afraid to ask! Here are some quick notes on Infinite Campus access. They will be updated as new information becomes available. The question is: Where do I go to access Infinite Campus? Answer: question: Can I access access Campus from home? Answer: Yes! The question is: Who creates my account? Answer: The ITS Database Administrators Group creates accounts for all end users. Your account will be linked to our Active Directory (email) accounts. This means that your email username and email password will be used as an entry into Infinite Campus. The question is: Since my email credentials will be used for Infinite Campus, does that mean I didn't need to log in if I had already logged into my email or logged into my computer? Answer: You still have to enter an endless campus. The question is: If I enter the wrong password, can I be blocked? If so, what do I do? Answer: Yes, you can be blocked. If this happens, you will need to contact ITS to talk to a member of the Database Administrators Group to reset your account. The question is: Can I print from any printer? Answer: Yes. The question is: Which browser should I use? Answer: The preferred browser is Firefox, but Control-P won't work for printing. Internet Explorer is also widely used. Page 2 Is Just In! Click on the titles of each post below to read the full article about great web learning tools and/or practices! This site provides information via PDF, visit this link to download Adobe Acrobat Reader DC software. Infinite Campus is a county student information system designed to manage attendance, grades, and test scores. Parents use one login to see information about one or more children.
